**Sick Leave Pay**

Employees earn 10 days of sick leave each year. Once an employee has more than 20 days of sick leave, the County will pay the employee half of the sick leave amount up to 10 days as long as the employee’s accrued total does not go below 20 days of sick leave and the employee chooses to sell back the sick leave time earned. This is done on an annual basis.

**County Sick Leave Pool**

The purpose of the County Sick Leave Pool program is to provide additional sick leave for eligible full-time employees (to facilitate their return to work), who have a **catastrophic illness or injury**. The non-occupational illness or injury must last longer than three weeks (21 calendar days) and cause the employee to exhaust all personal accrued leave time (vacation, sick leave and compensatory time).

**Eligibility:**

Full-time employees who have 12 months of service and have exhausted all personal accrued time.

**Administration:**

The Sick Leave Pool Administrator has been appointed by the Commissioners’ Court and the Administrator has appointed 3 members to the committee to review all applications for membership and grant requests.

**Withdrawals:**

The maximum amount of sick leave hours granted to an individual applicant is 180 days or 1/3 of the Sick Leave Pool balance, whichever is greater. The amount granted is determined by the Sick Leave Pool Committee.
